---

23 April 2026

Dear Mr Mawer

### **EXAMINATION OF THE EPSOM & EWELL LOCAL PLAN 2022 -2040**

Thank you for the documents you submitted on the 10 April 2026. I have reviewed the information provided and in light of the sites now being put forward by the Council as suitable sites for allocation within the local plan, I would be grateful if the Council could arrange for these documents to be published on the examination website and a focused consultation to be undertaken on these new documents. I will then look to arrange a suitable date for a hearing which I anticipate would require 1 day and I will liaise with the Programme Officer to find a suitable date.

Yours sincerely

*C Masters*

Inspector
